## Kite Boarding

### Windsure Adventure Watersports

Absolutely essential for anyone thinking about getting into the sport. All students start with a small foil training kite until they learn the mechanics of the steering, and have a good understanding of the "Wind Window". This dryland class covers rigging, tuning, line management, kite safety, and flying techniques. By completing this course, you will be able to safely launch, land and operate a kiteboarding kite.

Sea Kayaking

## Introduction to Sea Kayaking

Ecomarine Ocean Kayak Centre

This course is excellent for those who plan to spend some afternoons exploring local coastlines with friends, or head out on a guided overnight paddle. In the morning you will be introduced to the gear you need to get out on the water and the strokes needed to control your boat. In the afternoon we introduce day trip planning and then move on to safely exiting your kayak. After mastering the wet exit we learn how to efficiently get back into your boat with the help of a partner. Upon successful completion of this program you will receive a Paddle Canada Flatwater Skills certification.

## Ocean Kayaking: Complete Recreational Kayaking

Ecomarine Ocean Kayak Centre

2 Sessions

Spend two full days at Jericho beach exploring the world of ocean kayaking. We focus on safety, boat control, recoveries, navigation, journeying and seamanship. No previous experience is needed as we start at the beginning, covering gear and basic strokes. Once comfortable in the boat you will learn how to safely exit your kayak in the event of a capsize, how to get back in with the help of a partner and how to get back in all on your own. We will also touch upon navigation tools, group dynamics and day tripping. Upon successful completion of this course you will receive a Paddle Canada Flatwater Skills Certification and be well on your way to Paddle Canada Level One Skills.
